

COLLEGE VISITS AT TAS

Due to COVID-19, nearly all universities have cancelled travel and instead made their information sessions available virtually. The "visits" listed below are made available exclusively to TAS students and families; the College Counseling Office will continue to broadcast these opportunities directly to seniors who have indicated interest in these schools through Cialfo. Therefore, students should check their email and Cialfo frequently.

Furthermore, many universities worldwide are providing other online engagement opportunities to the public; these may include individual one-on-one appointments or sessions that are broadcast to students throughout our region. Students should proactively check school websites and register for these opportunities.

TAS Virtual College Events (updated October 22, 2021)

* Registration information can be found in **student** Cialfo accounts.

(Parent view of Cialfo does not allow them to see visits/registration information. If parents want to register, please refer to your student.)

* For most updated list, always refer to Cialfo.
