RECEIVED
VERNON TOWN CLERK
21 OCT 21 PM 3:07

Regular Meeting:

There was no quorum and no meeting held. The inspection of Northeast School was completed.

1. Parking lot and sidewalks were re-graded and paved over the summer.
2. Drainage in the driveway is all new.
3. Solar panels have been installed.
4. Line painting and painting for black-top recreation activities such as four square and basketball were completed.
5. All lockers and ceiling tiles were painted while the schools were closed during the pandemic.
6. Water adapters were installed on water fountains at an economical cost of \$12 to \$15 that allow students contactless filling of their water bottles.
7. An in-depth HVAC study is underway.
8. There were no actionable items and the school looked great.
