Opposite directions inside and outside shape
Primary colors
One secondary color
Hub draw guide simple autumn tree pastel colors

5th Grade

Creating 3-D Forms
Primary watercolors
Layering to create secondary colors
Horizon line
Hub draw guide watercolor landscape

Winter Celebration!

Join us December 2nd for a night of winter fun for all Franklin Families.

Winter concert has changed to Family Winter Celebration

The Wausau School District remains committed to advancing student learning, achievement, and success. As part of that, we highly value the educational benefits that Music Education Programming and encore classes provide our students, not to mention the related performance opportunities that our students have in our K-12 schools. That said, since there's still so much uncertainty surrounding the pandemic, the Wausau School District is going to err on the side of caution and postpone all elementary music concerts until at least Spring. The decision was made for a couple of reasons. The main one is the safety of our students, their families, and our staff. As you know, right now elementary-aged students are not able to get vaccinated against COVID-19 like many of our middle and high school students can. In addition to the fact that not everyone can get vaccinated, concerts often bring together a lot of people in one space and we want to make sure everyone is not only safe but feels comfortable participating and watching. Please know, the District will reevaluate the situation in the spring and keep you up-to-date after the new year as to the status of concert performances at that time.
