

## ***Parental & Family Engagement Campus Policy 2021-2022***

Cleckler-Heald Elementary believes that student success is directly linked to parental involvement; therefore, our goal is to develop and strengthen the relationship between home and school providing information in a timely manner. It is the policy of the school to plan and implement, with meaningful participation of parents, administration, teachers, programs, activities, and procedures for the involvement of parents in its Title I programs, thus complying with the following expectations:

- Conduct two Parent Orientations, in the beginning of the school year, to explain to parents the Title 1 program, its requirements, and their right to be involved throughout the year.
- Encourage parents to participate in the planning, review, and improvement of the parent involvement programs, including the school parental involvement policy and compact.
  - The **policy** is distributed annually in English & Spanish to each student, emailed out to parents, posted at two local businesses, posted on our school website, and shared at our monthly meetings on our powerpoint presentations.
  - The **compact** is distributed in English & Spanish to each student and posted on our school website. This document outlines how parents, staff and students will share the responsibility for improving student achievement, and will be discussed by teachers with parents during the teacher-parent conference.

Cleckler-Heald Elementary shall convene an annual meeting, at a convenient time, to which all parents of participating children shall be invited and encouraged to attend, to inform parents of their school's participation and to explain the policy law requirements, and the right of the parents to be involved.
