

Cleveland ISD Star Students

Cleveland High School

October 22nd, 2021

Tenth Grade

- **Daniel Pena!** Daniel is always on time, he works towards each of his goals. He is an essential member of his group. Daniel is a great addition to our CHS family! ~Dr. C. Gardner
- **Mia Herrin!** Mia has overcome some major diversity to develop herself into a well-rounded individual and a vital asset to our HOSA competition team. She will make an amazing health provider. ~J. Wallace
- **Joanna Medina!** Joanna has made herself a permanent asset to our health science team. A natural leader, she is destined to do great things in whatever career she chooses! ~J. Wallace
- **Alexis Zuniga!** Alexis has become an excellent student in health science, and truly a solid team leader. He led his learning team to do an excellent presentation on myasthenia gravis, educating the class on this debilitating condition. ~J. Wallace

Twelfth Grade

- **Arely Santiago!** Arely is a kind hearted student who is always willing to help a classmate succeed. She excels in every task I give her and never complains. She will become the type of nurse that every nursing student should aspire to be. ~J. Wallace
