Academic Support

If you are struggling in one or more of your classes, please consider:

1. Talking to your teacher! We encourage our students to advocate for their needs and learn how to do that in a safe environment.
2. Attending your teacher's QUEST Hour tutorials.
3. Asking for help! Go see one of your counselors or one of our student support counselors and ask them for assistance.
4. Going into the office and ask to see Ms. Varsos, the Dean of Instruction, or your Assistant Principal. They have additional resources to help you!
