Guest: Brian Tildsley, Assistant Principal

Cheryl Mixon; Recorder

Meeting called to order at 4:00pm

Student Handbook Changes

- Brian Tildsley led the discussion on changes to the handbook, specifically regarding increasing the consequences for consuming food/beverages outside of designated areas and destruction/vandalism of school property. With the opening of the new school, it's important for students to understand that the current disrespectful actions and behaviors of some, will not be acceptable and will have more serious consequences moving forward. There will be assemblies for each class on Friday, June 7.
- Council members suggested the following consequences for food violations: revocation of parking privileges, In-School Suspension, loss of café privileges, pass restriction, café clean up duty, and parent meetings.
- Council member suggested the following consequences for vandalism/destruction of property: 10-day suspension, police involvement, full restitution.
- Mr. Tildsley will present this information to the School Committee along with meeting with all students to discuss changes.

Handbook Cover

- Council members chose a winner out of the 3 finalists from DVC that designed a new cover for the handbook. All the entries were visually appealing and professional.

Other Business

New Building Visit

- Mr. Dillon is still trying to arrange a visit to the new building for council members before the end of the school year, if time allows.

Adjournment

- Meeting was adjourned at 5:00pm.
