

Minuteman Building Committee – Subcommittee Charge

Voted & Approved

September 29, 2014

Non-MSBA Building Plan

To define the projects that are necessary to complete and sustain the Building that will provide for life / safety of the students, faculty & staff, and that will support the educational plan voted on by the School Committee; to provide the best estimate of each projects cost and timeline as fairly and honestly as possible, and to assume funding from only the District member communities.

Communication

To work collaboratively with the Minuteman School Committee Communications Subcommittee and the Administration to educate, inform and receive input & advice from the Member District communities (Government Officials, local School communities, Minuteman parents and alumni, Citizens) of the various issues related to the Minuteman Building proposal(s).
