

Grade and Discipline Release Form De Smet Jesuit Hockey

De Smet Jesuit Ice Hockey has a long tradition of winning that also comes with a commitment to the program's core values, including developing the young men to their fullest potential both on and off the ice. This commitment includes dedication to teaching and learning self-discipline, hard work, dedication, individual sacrifice for the betterment of the team, and respect for teammates, the game, and the officials. The coaching staff, the team, and its players recognize that they represent De Smet Jesuit High School at all times and live the "men for and with others" credo both on and off the ice.

In an effort to support your sons as student-athletes, I hereby give permission for DeSmet Jesuit High School to share academic and discipline information with Head Coach Chris Durso.
