## Linda Ramey

Mrs. Linda Ramey graduated from Rabun County High School in the spring of 2000. Upon graduation, she immediately began working with the Clerk of the Rabun County Superior Court, Mr. Joe Jarrard. While working with the Clerk of the Superior Court Linda also attended school at North Georgia Technical School and obtained her business degree. Four years after beginning work with the Clerk of the Superior Court, Linda accepted a new position as the Chief Deputy to the Rabun County Probate Court Judge, Lil Garrett. Linda worked as the Chief Deputy with the Probate Court from 2005-2011. During her time with the Probate Court, she obtained her Associate Degree in Criminal Justice from North Georgia Technical School. In 2011, Linda began working with Jimmy Bleckley, Debra Jacobs, and the Rabun County Board of Commissioners. Linda continues to serve the Board of Commissioners, along with Darrin Giles, as both the HR Director and the County Clerk.

In addition to her time with the Rabun County Government, Linda has been a foster parent for the past 9 years. She has seen over 100 children come through the doors of her home over these last 9 years, at least 30 of them staying long-term. She has 7 forever children. Linda believes raising her children is her greatest accomplishment.

Linda has a few words of wisdom for current students within the Rabun County School System:

- “Money is not everything”
- “Invest in your retirement”
- “Think about the future”
- “Find something you enjoy doing”
