### Principal's Message

Dilworth Family,

It was so nice to see so many of you at the "Picnic in the Park" event last Thursday night. It was delightful to get to speak with many of you as well. This has been so strange; I feel as if I have met many of you for the "first time" several times. I do apologize if I have forgotten meeting you before. I think the activity was much needed and well attended. A great BIG THANK YOU! To the PTA for putting this on.

Just another reminder (I know it is a lot) on Covid-19. If your child is sick, please let us know and we will send you the protocols to return to school. If they have been exposed to Covid-19, again let us know and we will work with you to make sure you know what to do and how to proceed. When you let us know, we give that information to our district Covid-19 point of contact who works with the Health department to ensure information is gathered so dates for return can be set properly and guidelines are met. This District point of contact will work with you once we give them the information you supply to us.

We ask that you speak with your children about the "Devious Licks" TikTok challenge that is trending. We have had a few buildings in the district vandalized already. Students will be held responsible for restitution of theft, and or damage caused by vandalism. This will include the cost of time to repair/replace damaged items. We will follow our S-3 Policy for student conduct and discipline. Let's get them trending something positive!

We do appreciate your support and all you do!

Kind regards,

Richard Squire, Principal

## **COUNSELOR CORNER**

Hi Dilworth Families,

This month your students are learning about Bullying and Harassment. In these lessons, your student will learn what bullying is, what bullying is not, when bullying behavior is actually harassment, and when and how to report bullying and harassment to an adult.

Be on the lookout for a Note from Mrs. E this week with more information about what your students are learning and how to support their knowledge at home!

I am excited for another year here at Dilworth! We also have a new district level Social Worker who will be working with us - Emily Duffin! Emily comes to Dilworth with many years of experience working in a clinical setting, and we are excited to have her working with us this year. As always, if you need anything or have questions or concerns about your student, please let me know!

Take care,

Mrs. E
