CEEB Code: 210937

Our Mission

Sandy Spring Friends School provides a welcoming and nurturing learning community with Friends testimonies and Meeting for Worship central to its life and vitality. A challenging academic curriculum, enriched arts program, inclusive athletics, and service opportunities promote intellectual excellence and strength of character. Recognizing the unique worth of each person, the School strives to develop individual talents and foster caring and effective citizens of the world.

School and Community

Founded in 1961, Sandy Spring Friends School is a progressive, coed, independent day and boarding school serving approximately 700 students from age three through 12th grade. The campus is located on 144 acres in the historic Sandy Spring area of Montgomery County, Maryland. Sandy Spring Friends School is approved by the Maryland State Board of Education and accredited by the Association of Independent Maryland/DC Schools. SSFS maintains a diverse community of learners. For the 2021-2022 school year,

- 52% of our students identify as students of color;
- 26 international students are enrolled, representing 7 different countries;
- \$5 million in financial aid has been awarded to our families.

Quaker Education

Our school's culture—rooted in the idea that collaboration engenders achievement—can be traced to our Quaker heritage and abiding belief in the Quaker values of Simplicity, Peace, Integrity, Community, Equality, and Stewardship (SPICES). Our teachers are lifelong mentors and strive to identify and cultivate each student's intellectual, extracurricular, and social passions. SSFS students are taught to act upon what they learn, and this call to action propels their accomplishments as graduates.

Commitment to Equity, Justice, & Belonging

Sandy Spring Friends School's programming (curricular, co-curricular, and extracurricular) embraces the School's commitment to diversity, equity, justice, and belonging as critical to our core mission. These values inform the education and development of all in our community, and actively foster a culture of inclusivity that values multiple perspectives and is supported by transformational dialogue and civic engagement.

The Curriculum

Sandy Spring Friends School offers an inquiry-based college preparatory program that emphasizes deep understanding throughout the curriculum while encouraging collaboration, instilling confidence, fostering practical experience, and cultivating respect for others. SSFS teachers help students internalize a process we call “QRA”—Question, Reflection, Action—which ensures that they think critically, integrate new knowledge, and apply what they learn.

The Upper School operates on a semester system with graduation requirements that encourage students to explore a wide range of interests in the arts, humanities, math, science, and cultural studies. Students receive ½ credit for semester-long courses and 1 credit for year-long courses. All ninth grade students are taught Quakerism in the Freshman Seminar course, and it is threaded throughout the World History and US History curricula. All credits toward graduation must be earned in grades 9-12.

Minimum **graduation requirements** are as follows:

ENGLISH 4 English Credits	MATH 3 Math Credits (incl. Algebra II)	HISTORY 3 History Credits (incl. World & US History)	SCIENCE 3 Science Credits (one year of biological science & physical science required)	ART 3 Art Credits (Arts & Ideas required)
GLOBAL LANGUAGE 3 Global Language Credits	PHYSICAL EDUCATION 3 P.E. Credits	QUAKERISM Included as part of the History & Advisory Curricula	COMMUNITY SERVICE 100 Hours of Community Service (for students entering in 9th grade)	

2021-2022 Upper School Course Offerings

English

Full Year Courses: English 9 • English 10 • AP English Language & Composition • AP English Literature & Composition (British Lit) • AP English Language & Literature (Dramatic Lit) | **Semester Courses:** African American Literature • American Immigrants • Critical Writing • Dystopian Literature • Magical Realism in Literature & Cinema • Modern Voices in Short Fiction • Poetry of Identity & Innovation • Race, Gender, and Nationality • World Literature • Writing for Readers • Writing Lab

Additional Electives

Model UN (full year, conference participation required) • Newspaper • **Physical Education:** Farming for Fitness • Fundamentals of Rock Climbing • Yoga

English for Speakers of Other Languages (ESOL)

In recognition of the diversity of the school, SSFS offers non-native English speakers a full two- to three-year program of language development instruction and support in English and History. ESOL courses at SSFS are very rigorous, combining the same content that they would receive in non-ESOL courses with additional guidance in reading, writing, listening, speaking, vocabulary, and grammar. Experienced teachers who are specially trained in teaching English Language Learners teach these courses. This specialized instruction ensures that students are well-prepared to succeed in mainstream (non-ESOL) high school and college courses.

Intersession

Intersession is a one-to-two-week period each spring when all students and faculty participate in special projects outside the classroom at either the local, regional, national, or international level. Participation is required each year of enrollment at SSFS. These projects offer students the opportunity for service learning or further hands-on study of topics covered in their classes. Recent experiences have included: Quaker Legacy of Social Justice; Paint the Desert: New Mexico National Art Immersion; El Camino de Santiago: Hiking Spain's "The Way of St. James." Note: This program has recently been impacted by COVID-19 travel restrictions, but SSFS will continue to offer it in future years.

Campus Leadership

SSFS offers a wide variety of opportunities annually for students to lead our community and engage the world outside the classroom. In keeping with Quaker tradition, leaders of campus committees and organizations are designated as "Clerks" and chosen by their peers to facilitate meetings and initiatives. Some activities include:

- Torch – Student Government Association
- Admissions Ambassadors
- Student Publications
- Quaker Youth Leadership
- Affinity, Alliance, and Social Justice Groups
- Organic Farming
- Quiz Bowl/It's Academic Team
- Speech Team
- Performing Arts: Plays and musicals, instrumental, vocal, and dance ensembles
- Varsity Sports: Baseball, Basketball, Cross Country, Golf, Ice Hockey (Club Team), Lacrosse, Rock Climbing, Soccer, Track and Field, Volleyball
- Intramural Sports: Kickball, Basketball, Badminton, SSFS Morley Games

Ambassadors Program

New for the 2021-22 school year, the Ambassador Program draws on the Quaker principle of “Eldering,” engaging students to co-create opportunities of growth while giving back to the campus community. All Upper School students can apply to be an Ambassador; they are selected by a committee of faculty and administrators and matched with mentors (Elders) in designated areas of school leadership. For Fall 2021, Ambassadors will serve in the offices of: Admission, Advancement, Marketing & Communications (MarCom) and Facilities. The Ambassadors program is a year-long commitment that will be recognized on the student’s transcript upon successful completion.

Independent Study & Senior Projects

Students who wish to pursue a topic beyond the Upper School curriculum may propose the formation of an independent study course. Independent study is reserved for students who have exhausted available offerings in a particular department or discipline, and it is expected to demand of a student at least as much time and academic demand, if not more, as a scheduled course. Courses are sponsored by SSFS faculty who oversee the student’s work and assesses the student’s performance. Independent studies must be requested by an extensive, formal, written proposal created by the student, with the help of the sponsoring faculty member.

Seniors have the option to apply for and participate in the Senior Project program. Grounded in experiential and project-based learning, and with inquiry, reflection and action at its core, Senior Projects are selective, elective, learner-centered and self-directed passion projects that affords approved participants the opportunity to let their lives speak beyond the traditional high school environment and culminates in a formal and reflective presentation to a panel of faculty, staff, alumni and Trustees. The Senior Project is recognized as a second semester elective course on the transcript and is graded in the form of Pass/Fail.

Sample List of College Acceptances (2018-2021)

Colleges listed in **bold** indicate at least one matriculated student from SSFS.
