VEHICLE
REGULATIONS

The following provisions shall apply regarding the operation and parking of vehicles on District property:

1. It shall be unlawful for any person to operate or park a vehicle (including motorized scooters) on the grounds or in a parking garage of the District in the following manner:
 - a. Passing another moving vehicle.
 - b. Driving without a valid driver's license.
 - c. Operating a vehicle with loud mufflers or creating excessive noise. "Excessive noise" is defined as any noise generated by the operation of a vehicle or its equipment which is of greater volume than that necessary for the normal operation of the vehicle or equipment.
 - d. Reckless driving, which is defined as operating a vehicle in a manner that threatens life or property.
 - e. Speeding, which is defined as operating a vehicle at a speed greater than 20 miles per hour or driving at a speed greater than is reasonable and prudent under the existing conditions.
 - f. Parking a vehicle except in the manner and in the spaces marked and designated by the District. Vehicles parked in violation of District rules may be removed by order of the Superintendent or designee at the expense of the violator.
 - g. Blocking or impeding traffic through any driveway or parking lot.
 - h. Failing to obey posted parking or traffic signs.
 - i. Failing to properly register for and/or display a vehicle parking permit, if required.
 - j. Violating any law regulating traffic on highways or streets in the District jurisdiction.
 - k. Using any grounds for the sale of automobiles or any other items without prior approval by the Superintendent or designee.
2. The District may suspend a student's permission to drive or park a vehicle on any District property for violation of any traffic or parking regulation as promulgated by the Board. After 30 days, reinstatement may be permitted, and a fee assessed for reissuance of a parking permit shall be assessed. Thereafter for each reissuance of a parking permit an additional fee shall be charged.

3. Each facility administrator shall develop and implement a procedure for the enforcement of traffic and parking regulations.

Student violators may be disciplined for traffic and parking violations consistent with District disciplinary policy. Employee violations shall be documented and dealt with consistent with any other infraction of District policy.

4. The Superintendent or designee will post information signs, caution signs, and traffic control devices.
5. District peace officers are hereby authorized to issue traffic citations for violation of District traffic rules and state laws regulating traffic on property within the jurisdiction of the District.
