

INSTRUCTIONAL RESOURCES:
LIBRARY MEDIA PROGRAMS

EFB
(REGULATION)

The District shall provide and maintain library media programs as an integral part of the instructional program on each campus.

ROLE OF THE
PRINCIPAL

Each principal shall ensure the effective use of both the library media center and the library media specialist(s) as outlined in the job description provided for employees serving in this capacity.

Each principal shall make use of flexible scheduling to establish library hours and procedures that best serve the needs of students. In addition, the building principal shall assign adequate assistance to the library media center to allow for the full implementation of the expanded role of the library media specialist and the fulfillment of library management responsibilities.

ROLE OF THE
LIBRARY MEDIA
SPECIALIST

The library media specialist shall establish annual goals, under the direction of the building principal, which will lead to the achievement of both District- and campus-level priorities.

It will be the responsibility of the library media specialist to inform campus personnel about the duties that are to be performed by the person in this role and the services that can be made available to staff and/or students upon request.
