## **How Your TRS Health Plan Can Help with COVID-19 (Coronavirus)**

### **TRS-ActiveCare (BCBSTX) Covered Members:**

Through your TRS-ActiveCare plan, BCBSTX and CVS Caremark will provide the following to all participants:

- Waived costs for all diagnostic testing of COVID-19 for patients who meet CDC guidelines, during the national health emergency period.
- Free home delivery of all prescription medications. See [CVS' FAQ](#) for more details.
- Access to 24/7 Nurseline: 1-833-968-1770
- FDA-authorized COVID-19 Vaccines covered at 100%
- Assistance with scheduling vaccines by calling 1-833-832-7067

**For more information or health-insurance related questions, please call BCBSTX directly at 1-866-355-5999.**

For updated information from TRS related to this, you may click here: [TRS ActiveCare](#)

*Inspiring minds. Shaping lives.*
