Parent and Family Engagement Policy

At P.F.C. Mario Ybarra Elementary, our families are an asset and so we strive to show them just how much their involvement matters.

In order to maintain a healthy partnership among our school, parents, and community- we are implementing the following:

- ✓ Parent Orientation- We will conduct an annual meeting explaining the requirements and expectations, and the right for parents to be included.
- ✓ STAAR Meetings- Presenting and explaining the goals, state content and student performance standards, assessments and information related to the education of their children.
- ✓ Campus Compact- which outlines just how parents, staff and students will share the responsibility for student success throughout the school year.
- ✓ Parent Sessions- these will include information on resources for our families, guest speakers and other topics/issues that affect school life and our community.
- ✓ Special Services- Resources for low-income families- such as shoe vouchers and uniforms for our students in need. (see Ms. Flores at the Parent Center)
- ✓ Title One meetings- will be held at minimum twice every school year. These meetings should be provided in a morning and evening session, where school budget and funds will be presented to parents.

We want our PFC Mario Ybarra Elementary School family to rest assured that we will be taking all necessary precautions during this pandemic. We will be abiding by all health and safety regulations and guidelines as per WESLACO ISD and the CDC, in order to ensure the health and safety of our esteemed staff and students.
