

Student Dress

One of the fundamental purposes of school is to provide the foundation for the creation and development of a proper attitude toward education. In order to further this purpose, it is essential to create and maintain an effective teaching and learning environment. Student attire impacts the teaching and learning environment. It can either promote a more effective educational environment, or it can disrupt the educational climate and process. Student attire that is acceptable for some social settings may not be acceptable for the educational environment of school.

Students are reminded that their appearance, clothing, and grooming, significantly affect the way others respond to them. Matters of dress remain primarily the responsibility of students, in consultation with their parent(s) or legal guardian(s). Nevertheless, it is the duty of the Board of Trustees to provide an educational atmosphere conducive to learning; while minimizing disruptions and/or distractions; to protect the health, safety, and morals of our students. All students are required to adhere to the following minimum standards of dress when the student is on any school premises or at any school sponsored activity, regardless of location.

When a student's dress or appearance causes undue attention, presents a danger, or causes a disruption of the educational process the student may be asked to change and is subject to disciplinary action. Students are not to wear or carry items of apparel (clothing, accessories, cosmetics, tattoos, jewelry—including body piercings) which depict or allude to, by picture, symbol, or word, drugs, including alcohol and tobacco; controlled substances; drug paraphernalia; gangs; violence; sexually explicit, lewd, indecent, or offensive material; or illegal acts. The wearing, using, or displaying of any gang clothing or attire jewelry, emblem, badge, symbol, sign, codes, or other things which evidence membership or affiliation in any gang is prohibited on any school premises or at any school sponsored activity, regardless of location.

Head coverings are inappropriate in the school building during regular school hours, unless the principal or designee specifically makes an exception to the policy.

Unless the principal or designee indicates otherwise, students will wear footwear at all times.

The Board of Trustees urges parents and students to exercise sound judgment, based upon the standard of appropriateness for the school setting. Examples are as follows:

- Shirts, tops, or any other type of clothing designed to act as a shirt or top must fall at least to the waistline and be free of holes, rips, or tears.
- Tank tops must have wide straps, fall at least to the waistline, and be free of holes, rips, or tears.
- Tube tops are not allowed.
- Pants, jeans, or any other type of leg coverings with any holes or tears must be below mid-thigh.
- Pants, jeans, or any other type of leg coverings must be worn at the waistline, undergarments must not be exposed.
- Shorts must extend to the mid-thigh without any holes or other openings.
- Skirts must be worn at knee length or longer, without any holes or other openings.
- Skirts that are part of a district required uniform are not subject to the length requirement; however, the skirt is only permissible to be worn at approved school functions, events, or activities.
- All undergarments must be covered at all times and not visible to any person during any class or activity.

The Superintendent or the Superintendent's designee is hereby authorized to promulgate regulations consistent with the provisions of this policy.

#### Interpretation and Implementation of Policy

The building principal or principal's designee shall use reasonable discretion in interpreting and implementing the provisions of this policy. If a conflict arises in the interpretation of this policy, the interpretation of the building principal or principal's designee shall be final. Principals, administrators, and teachers shall use reasonable discretion in enforcing this policy.

#### Enforcement

Teachers and administrators may deny class entrance to students dressed or otherwise adorned inappropriately until arrangements may be made for their proper attire. All time missed from classes for failure to adhere to this policy will be deemed unexcused absences. Parent(s) or legal guardian(s) will be notified each time a student is asked to leave school because of inappropriate attire. Students who are insubordinate or refuse to change the improper attire, or who repeat dress code violations shall be subject to disciplinary action up to and including suspension or expulsion, depending on all the facts and circumstances, for violating the standards of student conduct.

#### Temporary Exceptions

In order to allow appropriate attire for a particular educational or school activity, the building

principal or the principal's designee has the authority to grant temporary exceptions to specific provisions of this policy and related regulations. An example of such an exception might be where a specially scheduled school event required a group of students to dress unusually on a particular day.

#### Accommodations

The District will seek to accommodate cultural, religious, and ethnic differences in dress and grooming, provided such dress or grooming does not materially or substantially disrupt the educational process of the school or create a health or safety hazard for students, staff, or others.

No student shall be required to modify their natural head or facial hair, such as by shaving or straightening through the application of heat or chemicals.
