

Futures depend on us...every child, every day.

Sun Prairie Area
School District

2021–2022

SCHOOL EVENT CALENDAR

For Our Community

This calendar was made possible because
of our generous sponsor:

Artwork by: Srivaishnavi Chenna, 11th Grade, Sun Prairie High School

Art Teacher: Jennifer Mannes

WELCOME TO THE 2021–2022 SCHOOL YEAR!

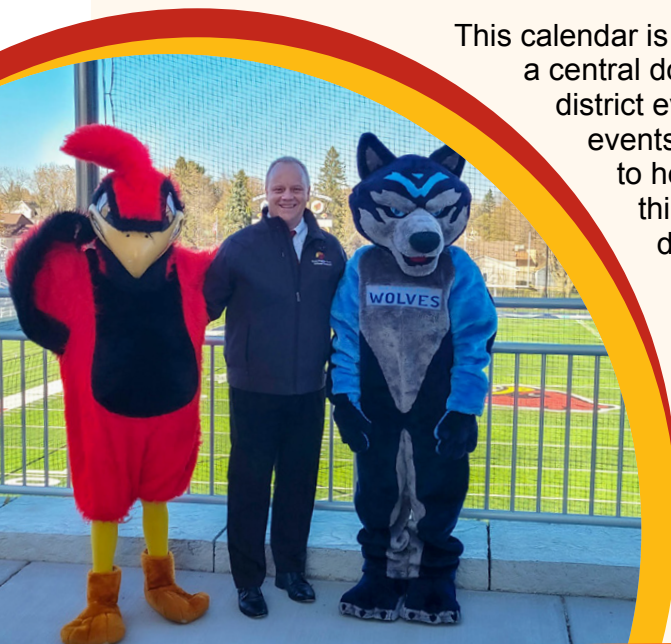

The 2021–2022 school year is a time for our reemergence, a year when we are able to step back into the normalcy of a more traditional school year. This school year also represents an opportunity for all of us to apply the lessons learned from last year. Our new capacity to leverage technology, to collaborate to solve problems, to adapt, and to understand possibilities are all experiences that make us better this year and into the future.

As much as the 2021–2022 school year is a time of our reemergence, it's also a time of resolution. Indeed, this is the last year of our current secondary configuration, just before the addition of Sun Prairie West High School and all the changes that come along with that shift. The 2021–2022 school year is also the last year of our strategic plan. The last six years of our strategic continuous improvement have been notable, and this year we have the opportunity to reengage our community to develop a new strategic plan. We look forward to your feedback as we update our plans for the future!

This calendar is a resource for our entire community, a central document to reference for school district events, a place to record personal events and celebrations, and a document to help inform everyone of the amazing things happening in our schools every day. Please also see our Facebook page, our website, our YouTube channel, and our Instagram page for more information. And, as always, if you have questions, please feel free to reach out.

Have a great school year!

Brad Saron

OUR MISSION

Futures depend on us to inspire and prepare every child, every day, by providing relevant, engaging, and innovative learning experiences in and out of the classroom.

STAY CONNECTED to the Sun Prairie Area School District

VISIT OUR WEBSITE | [SUNPRAIRIESCHOOLS.ORG](https://www.sunprairieschools.org)

Event calendars, resources for families, menus, community information, and more can be found on the website. Each school has its own web page accessible through the website's homepage.

Features on the website to help you stay connected include:

Peachjar Flyers

We connect our families to community events and activities using an electronic flyer system. Watch for a weekly email containing new flyers for your student's school.

Infinite Campus Parent Portal

Click the "Infinite Campus" icon on the District home page. The portal gives parents access to grades, assignment due dates, attendance, lunch account balances, fees, and much more.

Newsletters

In addition to each school offering a monthly newsletter, the District offers several newsletters a year to keep families and the community connected to the work of our staff and students. You can view past newsletters under the "Community" tab and "District Newsletters."

CAREGIVERS RECEIVE EMAILS, PHONE CALLS & TEXTS

You can choose to be contacted via email, phone, and text message. In addition to school newsletters and messaging, we will contact you in emergency situations, such as weather closings or building emergencies. Update your contact information in the Infinite Campus parent portal.

GET INVOLVED IN OUR SCHOOLS

Tutor in our schools, attend music and sporting events, attend theater events at our Performing Arts Center, and use the High School pool during open hours. Visit our website to learn how to get involved with Sun Prairie schools.

FOLLOW US ON SOCIAL MEDIA

We post updates and reminders and highlight the great things that happen in our schools. Search "Sun Prairie Schools" to find us!

OUR VISION

To be a high performing district of choice that reflects the cultures of our diverse community.

AT THE SUN PRAIRIE AREA SCHOOL DISTRICT, WE STAND BY OUR STUDENTS, STAFF, AND FAMILIES.

The Sun Prairie Area School District celebrates and values our diverse community. We support and are inclusive of all students, staff, families, and community members of all races, ethnicities, faiths, national origins, immigration statuses, political viewpoints, abilities, sexual orientations, and gender identities.

WE STAND by our Black and Brown students, staff, and families of color. We will continue to speak and act swiftly against statements of bigotry, social injustice, discrimination, racism, and hate that may plague members of our community.

WE STAND by our lower socio-economic status students and their families. We will do all we can to meet the nutritional, physical, and emotional needs of all students regardless of their economic status.

WE STAND by our immigrant students and families. All are welcome and safe in our schools regardless of immigration status.

WE STAND by our students with disabilities and their families. We will continue to staunchly protect the rights of people of all abilities.

WE STAND by our LGBTQIA+ students and staff. We take seriously our responsibility to provide safe, nondiscriminatory, and inclusive environments for people of all orientations and identities, as they reflect our diverse community around us.

**ALL CHILDREN WILL BE SAFE AND LOVED IN OUR SCHOOLS . . .
EVERY CHILD, EVERY DAY.**

VIEW FULL MAP!

At the February 22, 2021, School Board Meeting, the **Board unanimously approved the Secondary Boundary and Bell Time Task Force's recommendation for secondary boundaries.** Option D4a best meets the primary criteria of equitable distribution of socioeconomic status and racial composition, as well as all the other evaluation criteria. Some other key highlights of the approved option include:

- Only one middle school (Patrick Marsh) sends students to both high schools and does so equitably on east/west lines.
- This is the best of all options in minimizing the number of K-5 students separated from some peers at both transitions (~10%).
- This option respects neighborhood boundaries and creates opportunities for continuing to grow as a united community.
- This option sets up the District to grow equitably into the future.
- Consensus of the Task Force: 70% chose D4a as their final option, and 91% voted to recommend to the School Board.

For more information on the recommendation, Board presentation, and maps, please view the Secondary Boundary and Bell Time Task Force website: sunprairieschools.org/district/ref2019/boundary-task-force.

DID YOU KNOW?

During the 2013–2014 school year, the Sun Prairie Area School District embarked on a new initiative: the development of a strategic plan. After a conversation with more than 50 community members, the SPASD developed its first Strategic Plan, which was launched in the 2014–2015 school year. Over the last five years, Sun Prairie has worked through our strategic plan, which focused on four main pillars: Teaching & Learning, Workforce Focus, Community Engagement, and Facilities & Operations. Within each of these pillars, our District has achieved many goals to evolve and improve for our community and the children we serve.

Watch for upcoming information as we engage our community in the process of refreshing the Strategic Plan.

By working collaboratively and staying focused on our strategic plan and priorities, the future is bright for the SPASD.

USDA APPROVED FREE MEALS FOR SCHOOL YEAR 2021–2022

This year we are happy to report that all students will receive a free breakfast and lunch at school!

A nutritious breakfast and lunch are key to student learning. We offer a variety of menu items so students are empowered to make the right decisions by dining with us. We want your students to enjoy fresh fruits and vegetables, dishes made from scratch, and unique cuisines with us every day! With salad bars at every school, stocked with veggies that students request, we are excited to be part of their journey to long-term healthy eating habits.

BREAKFAST AND LUNCH MENUS may be accessed on our mobile app or by visiting your school web page under “Quicklinks.” Not only can you see what is for breakfast and lunch, but you can also see the nutritional information.

DID YOU KNOW?

Sun Prairie High School has experiential learning academies called ACCEL Academy. ACCEL started in the fall of 2020 with a Global Business Academy and a Global Food and Sustainability Academy.

Why ACCEL? Students enrolled in an ACCEL Academy work on their transferable skills and gain experience to better prepare themselves for internships, part-time jobs, and full-time jobs. By exploring and experiencing potential professions, students realize their strengths and passions. This allows them to make informed decisions about their future. As the job market continues to become more competitive, our students are working on the skills and experiences needed to separate themselves from the rest of the pack, all while receiving three credits toward graduation!

ACCEL instructors develop real-world, project-based learning strategies through collaboration with business and community partners. Multiple project partners have implemented student projects at their companies, including M3 Insurance, Trek, Cranberry Creek Cranberries, Marda Angus Farms, Statz Bros. Farms, Beans n Cream, Sassy Cow Creamery, and Findorff.

DID YOU KNOW?

We have been working in partnership with the Pacific Educational Group (PEG) as part of our strategic goal to eliminate the opportunity gap for students of color through racial equity. The staff at PEG have been working with District staff and community members to transform beliefs, behaviors, and results so students of all races can achieve at their highest level. Three teams have been formed to learn the Courageous Conversation protocol to help us engage in deep interracial dialogue and to address persistent racial disparities. The three teams within our system are as follows:

- **District Equity Leadership Team (DELT):** Composed of the superintendent, assistant superintendents, and District Support Center administrators.
- **LEADS:** Made up of all site and District administrators as well as program managers and administrative support staff.
- **Site Race and Equity Teams:** Made up of seven to ten members from each school site.

All three teams began their equity journey by participating in the Beyond Diversity seminar and have participated in quarterly staff development. All teams have been charged with examining the impact of race on student learning and creating strategic actions to address disparities that exist at each site. The results of this work have been shared in our District, department, and site action plans.

DECEMBER 2021

DID YOU KNOW?

The Sun Prairie Area School District offers FREE four-year-old kindergarten. Online registration for the 2022–2023 school year starts February 1! Any child who is age four by September 1, 2022, is eligible to register for the 2022–2023 school year.

The SP4K program is a voluntary early learning program available to all four-year-old children in Sun Prairie, comprised of ten community partner sites, two school-based sites, over 500 students, and 40 teachers, co-teachers, and teaching assistants. These early years are so important in the growth and development of young learners, and our program is designed to meet the unique and diverse learning needs of these students. Our SP4K curriculum is a developmentally appropriate, play-based approach to learning. We believe in educating the whole child, focusing on the growth of a child's social, emotional, cognitive, and physical needs in order to build a solid and broad foundation for lifelong learning and well-being. In our program, students practice routines and learning behaviors that will support their transition to kindergarten.

Visit the SP4K website now to learn how to enroll! (Scan QR code above)

DID YOU KNOW?

Every year, the Sun Prairie Area School District, in collaboration with the African American Parent Network, plans a District-wide collaborative effort to celebrate Black History Month throughout the month of February. These events give our students and community the opportunity to reflect, recognize, and honor the invaluable contributions made by African Americans in the United States. You can find a calendar of events on the District website and Facebook.

The Sun Prairie Area School District has created the Sun Prairie Equity Framework to locate and dismantle policies, procedures, and behaviors that are racist and/or discriminatory. Some components include:

- Formal adoption of the Teaching Tolerance Standards in our K–12 Social Studies curriculum
- An intense focus on staff development (In the last three years, over 1,000 teachers, administrators, and staff have participated in more than 100 separate opportunities for equity-focused staff development.)

DID YOU KNOW?

March is Music in our Schools Month. With over 50 performance ensembles and more than 100 music events each year, the District offers many opportunities for young musicians to grow and learn through music. Our ensembles and music educators continue to receive national acclaim while striving for excellence. We believe music education is a vital component to a well-rounded education for all children.

The Sun Prairie Area School District received a 2020 Best Communities for Music Education award! We have amazing educators who share their passion for music with our students.

Check out one of our music performances listed every month in this calendar!

We have a staff wellness program! Our Staff Wellness committee continues to work diligently to provide engaging wellness activities and opportunities for our staff and their family members, while continuously building and strengthening our supportive community partnerships. We strive to make our District a great place to work! Our mission is to create a culture that supports and provides opportunities, tools, and resources that inspire all employees and their families to become full partners in managing their overall health and well-being.

EXAMPLES OF WELLNESS INITIATIVES INCLUDE:

Daily wellness offerings, live and recorded guided meditations and workouts, monthly challenges with prize incentives, memberships to premium mindfulness apps, financial counseling, mental health therapy sessions, "SPASD Good News Network," Adult SEL (social emotional learning) trainings, Employee Wellness Clinic, and MORE!

Visit our comprehensive employee wellness web page, which includes all events, resources, and challenges.

DID YOU KNOW?

Computer science has changed our world. It's essential to know how the devices we interact with work and how to use them responsibly, safely, and ethically. Computer programming is accessible to all students in the Sun Prairie Area School District. Students in elementary school learn the basics of computer programming through fun and interactive programs (like Scratch) in the Library Media curriculum. Middle school students learn the importance of digital citizenship, access makerspaces, and take courses in computer science. High School students can choose to learn advanced skills in programming and cybersecurity.

WESTSIDE ELEMENTARY COMMUNITY SCHOOLS SPOTLIGHT:

What started as a one-time event, the Hour of Code with Google, ended up turning into an after-school coding club at Westside Elementary, Sun Prairie's first community school. In spring of 2021, 4th and 5th graders met virtually with a Google engineer for an hour a week to learn to code in program language.

DID YOU KNOW?

The beautiful mural located at Westside Elementary was created by Westside students along with mural artist Mike Lroy, who was their Artist in Residence last school year. Mike is an incredibly talented artist who painted many of the murals that adorned the storefronts on State Street in the summer of 2020. The Westside mural was funded by the 21st Century Community Learning Center grant through the DPI. A big shout-out goes to Principal Nikki Burke and Stacy Darga, Community Schools Site Coordinator, for their hard work to make this happen! We are so grateful for Mike's work with the Westside students in co-creating such an amazing art piece and providing a fun experience that they will remember forever.

DID YOU KNOW?

AVID is a college readiness system designed to increase school-wide learning and improve academic performance for students. Currently in the Sun Prairie Area School District, AVID is offered in 8th through 12th grades.

AVID targets students in the academic middle who have the desire to go to college and the willingness to work hard. These are students who are capable of completing rigorous curriculum but who are falling short of their potential.

100% of AVID Graduates have been **college accepted.**

There has been over **4 million dollars** offered in Scholarships Funds.

"AVID has given me more opportunities than I ever could have learned or found on my own. I think one of the best gifts AVID has given me is how to direct my pre-existing driven personality to benefit my future."

DID YOU KNOW?

Sun Prairie West High School, Central Heights Middle School, and the newly relocated Prairie Phoenix Academy will be ready for the 2022–2023 school year! Back in 2019, our community passed a referendum for these projects and we are excited to see them come to fruition. We are excited for our students to experience these facilities. The Central Heights Middle School/Prairie Phoenix Academy building will also be home to the Professional Learning Center and the Employee Wellness Clinic.

Safety Planning and Considerations during Construction:

As a part of the referendum projects to build Sun Prairie West High School, remodel Central Heights Middle School, and create a new space for Prairie Phoenix Academy, safety and security planning has been important. In working with Bray Architects, we have created secure entry plans for the buildings, identified severe weather shelters, and developed protocol for securing the buildings in the event of an active threat. We are excited to see what our students will accomplish in these safe spaces for learning!
