

COVID-19 CLOSE CONTACT & EXPOSURE PROTOCOL 2021-2022

REVISED OCTOBER 27, 2021

*Administered by a physician or outside provider. Home test kits and antibody tests are not accepted.
 Exposure is defined as within 3 feet for a cumulative 15 minutes or more in 24 hours.
 The CDC makes an exception to this rule if both are students and fully masked for the entire time of exposure.
 Please note: Individuals awaiting test results for outstanding COVID-19 tests should remain off-campus while awaiting test results.
