## Help spread the good word about Pennington!

This fall, our Admission Office is hosting on-campus events for prospective students and their families. If you know of a family that would be a good fit for Pennington, please encourage them to review and register for one of our upcoming **admission events**. You can also help by posting a review of The Pennington School, since families often consider online reviews from alumni and current student in their decisions. We hope you will consider sharing a little about your positive experiences on one of these review sites: **Google**, **Niche**, and **Great Schools**.

Endorsements from our alumni help showcase our School, and we appreciate your help in this effort!
