PARKWAY PANTHER PRESS

CLASSROOM ACTIVITIES

This month's classroom activities range from designing jack-o-lanterns, spending time in exploration centers, participating in a Phonics Celebration where students made bracelets featuring their names to participating in a Reading Celebration where students brought towels to school and cuddled with their stuffed animals as they dived into a good book.

THANK YOU

Our PTO Rocks!

THANK YOU PTO for providing dinner for the staff during our Family Conferences. On October 28th, PTO delivered hot sandwiches, chips, cookies and sodas. The staff enjoyed gyros, chicken shish kabobs, veggie pitas, and cheese burgers. We appreciate the PTO for hosting dinners during Family Conferences, this gesture of kindness provides the staff with the opportunity to come together and share laughter over great food.

Family Conferences provide both families and teachers with an opportunity to partner to support the students' educational journey, both academically and socially. Families have the opportunity to immerse themselves in what students have been learning and they have the opportunity to ensure the student continues to thrive. The home-school partnership allows us to soar to new heights together as we work closely to create the best learning experience for your student. Please note, conferences were well attended on Wednesday evening and will continue to take place on Thursday, October 28th from 4PM-8PM and again, on Friday, October 29th from 8AM-12PM. We look forward to seeing you either in-person or via zoom.

Caregivers on the Playground During School Hours

We are excited to share our playground with families and community members. However, I would like to request your support in allowing the students at Parkway to use the playground equipment throughout the school day. Families and/or community members are welcome to play on the playground equipment anytime after 3:00PM. Thank you for supporting our efforts to keep our students and staff safe.

KIDS IN ACTION!

First grade friends are excited to use technology to support their learning in the area of math. K4 friends are watching videos to support their work around being respectful and responsible. 1st grade friends are having fun learning new songs and dancing in Music. Our K5 friends enjoy reading a good book.

WINTER GEAR

It's that time of year when the weather changes and some of our friends are in need of warm winter clothing. If you have any new or gently used winter clothing items and/or winter boots that you would like to donate to our Parkway students and their families, please bring your items to Ms. Perez in the main office so we can ensure that all of our students have access to warm clothing this winter.

If you or a family you know is experiencing hardship, we have school supports available to help you. We have a district social worker, psychologist & nurse and access to a number of community resources available. Please reach out to Dr. Smith at haydee.smith@glendale.k12.wi.us and/or (414) 351-7190 ext. 2002 for additional information and/or support.

FALL FESTIVAL FUN!

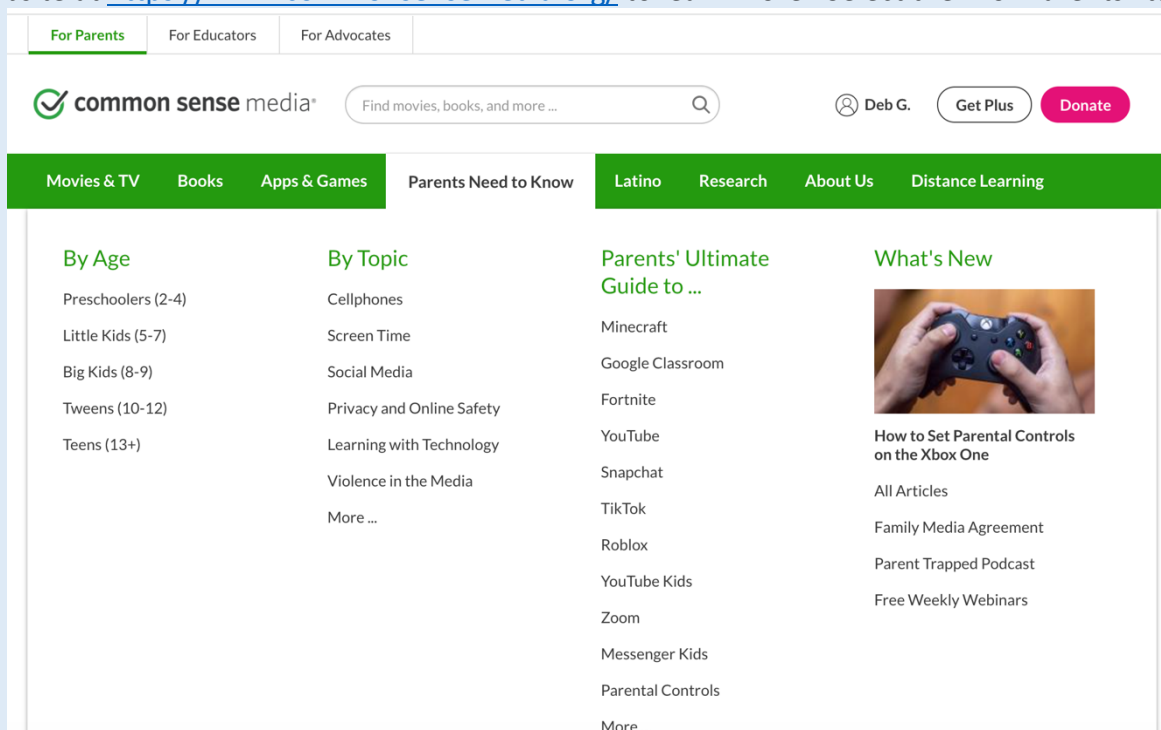

Throughout October in Library Media, we have been talking about Digital Citizenship and how we can be the best CITIZEN that we can be. Whether we are online or offline, we have responsibilities to keep ourselves safe and healthy and we have responsibilities to our community and our world too!

We are using the **Common Sense Media Digital Citizenship curriculum** to help students take ownership of their digital lives by providing them the skills needed to participate in their communities and make smart choices online and in life.

K5	1 st	2 nd	3 rd
Media Balance – how do we find a happy balance between our online and offline activities?	Pause & Think – how can we be safe, responsible and respectful online?	We, the Digital Citizens – how can we be good digital citizens?	Your Rings of Responsibility – how do digital citizens take responsibility for themselves, their communities and their world?
Pause for People – how do you say goodbye to our technology when we don't want to?	How technology makes me feel – why is it important to listen to our feelings when we are using technology?	Device-Free Moments – why is it important to have device-free moments in our life?	The Power of Words – what should you do when someone uses mean or hurtful language on the internet?
Safety in our Online Neighborhood – how do you go places safely online?	Internet Traffic Light – how do you stay safe when visiting a website or app?	Putting a STOP to online meanness – what should you do if someone is mean to you online?	Digital Trails – what information is ok to have in your digital footprint?

Help Kids Balance Their Media Lives

From phones and tablets to streaming movies and YouTube, tech and media are everywhere. Kids love easy access to shows, games, and information. Parents and caregivers love that kids can learn on the go (and stay busy when dinner's cooking). But it's easy to overdo it when the phone never stops pinging and the next episode plays automatically. Families can keep media and tech use in check by following a few simple practices.

Check out these 5 tips 

1

Create screen-free times and zones.

Help kids take breaks from tech by limiting screen time in bedrooms, during study time, or at the dinner table.

2

Try parental controls.

Set content limits that make sense for your family. Alongside conversations about healthy media habits, use features such as content filtering, privacy settings, and time limits offered by the apps and platforms your family uses to help manage access and exposure to media.

3

Establish clear family rules.

Decide together what kind of media and tech is OK -- and when it's OK to use it. A family media plan can help get everyone on the same page.

4

Watch and play together.

Choose quality, age-appropriate media to enjoy with your kids. Visit commonsensemedia.org to find shows, games, and more.

5

Help kids identify healthy behaviors.

Practice talking about feelings -- both physical and emotional -- during screen and non-screen activities.

THANK YOU FOR SUPPORTING THE FALL FESTIVAL

The following local businesses made generous contributions to support Parkway's Fall Festival! The Parkway Community is very grateful. Please continue to show your gratitude with your support of these businesses.

Additionally, THANK YOU to all of the **Parkway** students, families and staff for donations of food, time, and resources to make this years Fall Festival a success!

Hello Parkway and Glen Hills Families!

The Stone Creek/Rishi Tea fundraiser is back. We hope you will take advantage of purchasing some great local products for yourselves and for gifts during this holiday season to support the Parkway/Glen Hills PTO. Notice the striking custom label pictured at right, "Panther Pride Blend," designed by one of our very own Glen Hills moms.

We profit \$6 on each bag of coffee sold, \$1-\$10 on a gift card depending on the amount, and \$3 on each tea or hot cocoa sale. *If each of our children sold just one bag of coffee, we would net around \$6000* for our PTO, who is continuing to work tirelessly and creatively to support our students and staff in these unique and challenging times.

What are we selling?

See the back of the attached order form for full descriptions of the coffees/teas available. The custom label is the Cream City Blend (medium roast). Both Stone Creek and Rishi Tea are local to Milwaukee and take great pride in who and where their products come from and how they are produced. **And due to the overwhelming success of last year, we have \$10-\$100 Stone Creek gift cards available for your personal use or holiday gifting purposes!**

How should my customers pay?

With digital payment, cash or a check **MADE OUT TO YOU PERSONALLY**. You then make out a single check to the PTO (see below) when you submit your order.

Where/When do I submit orders?

Submit all orders to the Parkway or Glen Hills office *no later than* 3 pm on November 12, 2021. A SEALED ENVELOPE containing:

- 1) Completed order form with your NAME, EMAIL AND PHONE NUMBER.
- 2) TOTAL AMOUNT of sales in cash and/or **check made out to Parkway/Glen Hills PTO.**

Where do I pick up my orders?

Pick up (for Glen Hills families also) at **Parkway on December 4th, 2021 from 9 am-12 pm.**

What's in it for me?

Quality, local products, and if you sell \$100 worth of products, you'll be entered into a drawing for a coffee gift basket!

What if I don't want to sell coffee (or pretzels, or anything else!)?

If you want to support the students and teachers of this district without participating in this fundraiser, you can make a tax deductible donation to Parkway/Glen Hills PTO.

Paper copies of the fundraiser sheet available at the front office upon request.

Direct questions or concerns to Nicole Giese (nicolekgiese@gmail.com) or Mindy Schroeder (mindy.a.schroeder@gmail.com).

PATH TO RESILIENCE

Your **REDgen Student Chapter** is hard at work advocating for strategies to develop resilience in your school. We are excited to provide the opportunity for parents and their teen to engage together to build resilience.

Sign up for this "Path to Resilience" live online course hosted by Wholly Mindful to learn and develop these strategies for yourself and with your teen:

- Dealing with stress
- Calming the mind/body

- Increasing well-being
- Learning self-compassion

Only \$30 per parent and teen as REDgen will subsidize the cost of this course.

**Wednesdays: Oct. 13-Nov. 17
8:00pm - 9:00pm CST**

New!

MINECRAFT WORLD BUILDER

Minecraft economy has never been as exciting as Minecraft World Builder, in this class you will learn how to run a city, manage money, protect the environment, all within the 3D world of Minecraft!

This camp is not coding-based but more real-world economics, city planning, and life management! In Minecraft World Builder, you will be a part of a committee and learn to manage money by building onto your ever-growing city with your peers. All by using the Minecraft World Builder mods!

Your child will learn real-life money management, town designing, environment protection, public speaking, presentation skills, and economics all within the very popular 3D video game Minecraft. A PC or a Mac is required, Chromebook will not work for this class.
