

# Mrs. Burch's Combo Class

Welcome, parents!

# Welcome

Thank you for allowing me to  
teach your amazing children! I  
am excited to share some  
details about our daily  
routines!

# About Me

My name is Rae Burch. I am a graduate of Southeastern Louisiana University in Elementary Education. I am certified to teach grades first through fifth. This is my eighth year teaching. I have a passion for helping to grow the minds of young children through developmentally appropriate practices. I believe in exploratory learning and learning through touch. I have committed myself to guide, love, motivate and encourage my students. I am eager every day to teach your children and help them learn new strategies to build their understanding of concepts.

# Workplans

Each week a workplan is sent home. This is our weekly plan for the students to follow. They complete "daily stars" each day then pull Montessori work! The Montessori work reinforces the skill taught in class. Check out the Montessori works your child pulls each week 😊
