

# Mrs. Hutches' Combo Class

Welcome, parents!

# Welcome

Thank you for allowing me to teach your amazing children! I am excited to share some details about our daily routines!

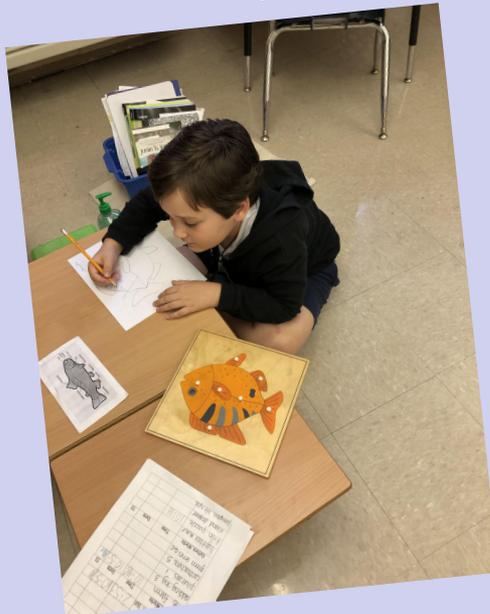

# About Me

My name is Allie Hutches. I am a graduate of Louisiana State University in Early Childhood Education. I am certified to teach grades preschool through third. This is my sixth year teaching. I have a passion for helping to mold the minds of young children through developmentally appropriate practices. I believe in exploratory learning and learning through play. I have committed myself to guide, love, and encourage my students. I am eager every day to learn new practices and techniques to better teach the young children in my classroom.

# Workplans

Each week a workplan is sent home. This is our weekly plan for the students to follow. They complete "have-to's" each day then pull Montessori work! The Montessori work reinforces the skill taught in class. Check out the Montessori works your child pulls each week 😊

# Class Subjects

Below is a table to help you better understand how our combo class works! Your child has two teachers 😊
