Chromebooks

Chromebooks are utilized during class each day. Students use them in the mornings if they arrive early for educational websites.

Students also use them during intervention time to reinforce or learn new skills depending on their academic level.

Please be sure your child charges their Chromebook each night and brings it to school each day.

Behavior

I use the basic green, yellow, orange, and red color system to document behavior. If your child is on a color other than green I will write down the reason your child is on that color. I give several warnings first. So please note that your child was given warnings ahead of that color change. Write-ups are given for extreme behaviors.

Dismissal Changes

For any dismissal change, a note must be written.
Without a note in my hand or a call from the office, your child will have to do his/her regular dismissal routine.
This is for safety reasons.

Concerns...

For any concerns, it is best to write me a note and place it in your child's folder or use the message page located in the purple folder. Also you can email me with concerns or questions. My email is caitlin.hoffstadt@tangischools.org

Thank You

**Thank you so much for your support and engagement in
your child's education.
I am looking forward to a great year!**
