

# Welcome to Third Grade SPED!

Teacher: Michael Kiral

Hello! I am Michael Kiral, your child's third-grade special education teacher. We have had an exciting, unusual 2021-22 school year so far here at Hammond Westside Montessori, but our students have overcome the adversity and obstacles as they look to fulfill their full academic potential.

As your child's special education teacher, I both push into the regular education classroom to offer assistance and accommodations, and pull them out into a special education setting to provide both small group and individual instruction.

The students are learning and being assessed through a variety of strategies and methods, including Montessori manipulatives, flash cards, videos, phonetic activities and games.

It is a joy to teach your children and I look forward to continue to work with them and with you to help them reach their goals. If you have any questions or concerns, please feel free to e-mail me at [michael.kiral@tangischools.org](mailto:michael.kiral@tangischools.org).
