

# Jaime' Smith

- Art Teacher- PreK- 3rd
- 16 year Veteran Teacher
- 2006 Nicholls State University- Dual Certification
- 2015 University of Concordia- Master's of Special Education

In my 16 years of teaching, I have taught a variety of subject areas ranging from PreK-5th grade. I am a 3rd generation teacher, and believe that teaching is what I was put on this planet to do. Being passionate about my "work" is something that I live by. I try to make kids love school so that they will strive to be their best!!! Thank you parents for your support. :)
