

*While you are on campus, keep your badge prominently displayed at all times and help us maintain a healthy, safe and secure learning environment for all our students.*

**PLEASE DO NOT:**

1. As a visitor, you must **never be alone with students**. Please keep yourself visible to other members of our community.
2. You must **never touch students**. Please avoid intruding on students' personal space and do not reciprocate physical contact from a student.
3. **Do not seek to contact students outside of CIS**. Do not give your contact details or other personal information to students and do not accept or keep any personal information you may receive about students.
4. **Do not give to or accept from students inappropriate materials, money, gifts or favours**, and do not show favoritism to particular students in any other way.
5. Please **do not smoke on our campus**, whether indoors or outdoors.
6. **Never act in ways that may exploit a student**. Never coerce a student to provide labour or services.

**PLEASE ALWAYS:**

1. **Be mindful of your language and conduct**. Treat students with the same courtesy, care and respect as adult members of the school community, while at the same time avoid being overly familiar with students. Be aware of using appropriate language and media, and conduct yourself in a suitable, respectful manner.
2. **Request permission from an adult, not student, before taking photos and videos**. Even when permission is granted, avoid close-ups or images that include student names and personal details. Do not post images on social media and delete images after use.
3. **Use adult-only washrooms**. All washrooms are clearly marked. Be aware that you may need to proceed to another floor to find an appropriate washroom.
4. **Report hazards or concerns** to the person hosting you or other staff in charge. These may include physical hazards, as well as behaviour that is disrespectful, harmful, or suspicious, whether by students or adults, between students, or between students and adults.
5. **Exit the school in case of an alarm**. Evacuation information is posted throughout the campus. Familiarise yourself with evacuation routes and be prepared to proceed to the Sports Field or other designated area in the case of a fire alarm or other emergency.

*Our campus is protected by CCTV.*
