Welcome

- Dear Class, I am here as your teacher because I want to be a part of each and every one of your lives. I want to provide you all with the tools you need and motivation to continue on your pathway to success. I want you to know that I care so much about all of you already and am so excited to get to know everyone well. I will challenge you in this class, but we will have fun too! Finally, I am here to be someone that you think of in your future, for having an impact on you in some way. I know you all can do great things and be great people. I am so incredibly excited for us to get started with what will be a great year!

Love,

Ms. Hughes
