AP Exam Orders

If your student is currently enrolled in an AP class, they must join the order by creating a [CollegeBoard](#) account and entering the specific join code that was given to them by their AP teacher. **This is the ONLY way an exam will be ordered.** The deadline to join the order to avoid the \$45 late order fee is 12:00 P.M. on November 15. The final order deadline is 12:00 P.M. March 15. No exams will be ordered after March 15. Students should see their AP teacher if they have questions about joining the order.

ACT Review Courses

Students who are interested in an ACT review course can find more information [here](#).

Parent Academy: Anxiety in Youth

This discussion will address why it's important to focus on mental health, the way anxiety presents itself in youth, and concrete ways parents can support their children. Click [here](#) for more information.

Online Therapy Sessions

We are unable to provide a private space for students to attend online therapy sessions during school hours. If a student has an online appointment, they will need to arrange their own space outside of school.
