School Profile 2021/2022

School Community

Frankfurt International School (FIS) was established in 1961 as a private, non-profit association to serve the international community by offering education of an excellent quality with English as the principal language of instruction. FIS is accredited by the New England Association of Schools and Colleges (NEASC). As one of the oldest and largest of Europe's international schools, FIS is known for its high academic standards and expansive campus facilities. The school offers a rich extracurricular program, and computing and instructional technology are also an integral part of the school. The facilities at all campuses are excellent and provide outstanding resources for learning.

Our Students

The Class of 2022 has 138 students. The total enrollment of FIS is 1778 students representing over 60 nationalities, with the largest numbers identifying as American (30%), German (19%), South Korean (18%), British (6%), and Dutch (4%). Over 30 native languages are spoken within the school community. In Grades 9–12, the enrollment is 568 students with approximately 140 students per grade level. Historically, one third of graduates matriculate to the United States, one third to universities in the United Kingdom, and one third pursue higher education in other countries around the world.

FIS Grade 9–12 Curriculum

FIS is a founding International Baccalaureate (IB) World School where roughly 90% of graduates pursue and receive the IB Diploma. Students who do not pursue the IB Diploma may opt to take IB Courses and be awarded a High School Diploma. There are no honors classes; the only tracked subjects in Grades 9 and 10 are Math and Foreign Languages. In addition to their required coursework, students may pursue various learning opportunities. For example, FIS is a member of Global Online Academy, a consortium of independent schools whose mission is to translate intellectually rigorous programs into online classrooms.

Co-Curricular* and Athletic Programs

Students in Grades 9–12 have a rich variety of co-curricular opportunities, including visual and performing arts, organized clubs, and school publications. Students compete internationally in 12 different varsity sports and international travel is also part of activities such as Model United Nations, Math Olympiad, Service Learning, music and theater exchanges.

Class Ranking and GPA

Given the inherent rigor of the IB Diploma Programme taken by the vast majority of students, FIS does not provide a ranking of its students. The school uses a 7-point scale with GPAs weighted for the difficulty of their IB courses: an extra 1.0 is awarded for IB Higher Level courses and 0.5 is awarded for IB Standard Level courses.

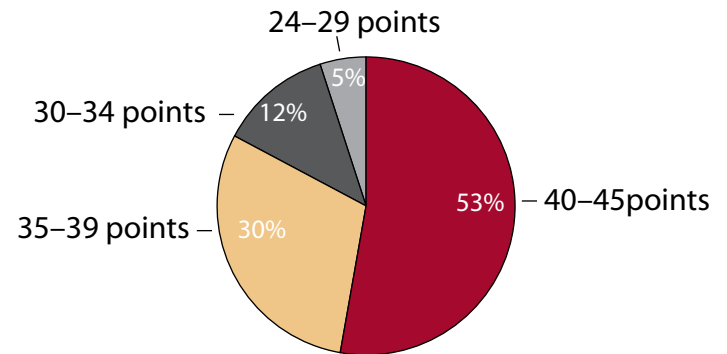

Grading Scale: 7 = A+ 6 = A 5 = B 4 = C 3 = D 2/1 = F
