## A MESSAGE OF GRATITUDE

Dear Princeton Day School Community,

I am proud of our school community for their exceptional flexibility, commitment, and efforts in making the 2020-2021 academic year a success. Whether in person or virtual, we supported our students this year. We pulled together when it counted despite the uncertainty and challenges we faced in a global pandemic. PDS has done far more than adapt — We have thrived!

We could not accomplish any of this without the generous supporters who gave to the Annual Fund and the *THRIVE!* Capital Campaign. The impact of giving can be seen throughout our School — from scholarships to facilities to programming to faculty support. Each gift is an essential part of our ability to thrive year-to-year.

Here are some of the highlights of our accomplishments during the past year:

- **Rising to the challenge of COVID-19.** We have worked diligently to protect our community and keep our doors open while always supporting our academic mission.
- **Ensuring the success of our students** through our ability to implement innovative academic programs. We are especially proud of the use of the DTEN video conferencing systems in our classrooms which allowed students to learn remotely when needed while still having in-person classes.
- **Building a better future for all.** We made strides through supporting faculty development, redefining the classroom experience, and growing our beautiful campus with the opening of the new Athletic Center thanks to the success of the *THRIVE!* Capital Campaign.
- **Increasing the Annual Fund.** The PDS Annual Fund raised over \$1,850,000 this year which was put to work immediately towards critical resources that impact virtually every aspect of school life and learning this year. These gifts provide flexible, unrestricted support that is crucial each year which has been more powerful than ever as we've faced unprecedented challenges.
- **Completing the *THRIVE!* Capital Campaign** — the School's largest campaign in history. When we embarked on a capital campaign eight years ago, we did so because PDS needed to rise to meet the needs of today's students. We set an ambitious goal of \$55 million. I am excited to share that what we discovered was our community had been waiting for an opportunity for such a collective initiative and together, we exceeded our goal raising over \$58.6 million. I look forward to sharing the *THRIVE!* Campaign Impact Report which will illustrate the positive effects of our fundraising efforts on the student experience.

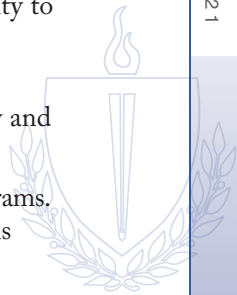

We are grateful to our trustees, parents, alumni, faculty, staff and friends who have supported us with their philanthropy throughout this challenging year. We look ahead with great enthusiasm for the future of the School thanks to the strong leadership of our community. As Princeton Day School and the world emerge from the pandemic, we remain focused on thriving today — tomorrow — and always.

I am proud to work with you to help advance the School's growth as we continue to teach the next generation of global change makers here on the Great Road. YOU make every day a great day to be a Panther — thank you!

With great pride and thanks,

Katherine A. Schulte  
Assistant Head of School for  
Advancement and Strategic Priorities

## THE MAY MARGARET FINE SOCIETY

Honoring and recognizing those who understand the important legacy a planned gift creates.

The May Margaret Fine Society: Established in 1998, the May Margaret Fine Society recognizes those loyal alumnae/i, parents and friends who have informed the school that they have made provisions for Princeton Day School in their estate plans. Including the school in their will, establishing a charitable trust while maintaining life income, or naming the school as a life insurance beneficiary are some of the ways these individuals have helped secure the long-term strength of Princeton Day School. We are grateful for the generosity and vision of these planned giving donors.

On May 7th, 2021, the Princeton Day School community came together to celebrate and support our school in a BIG way on our 5th Annual Day of Giving.

The Day of Giving, a 24-hour fundraising event, brought alumni, parents, parents of alumni, faculty and friends together in support of our school. As students celebrated Blue and White Day, the entire community showed their Panther Pride with gifts to the Annual Fund.

In true Panther fashion, our community exceeded our greatest expectations, raising \$434,080 from 764 donors – a record breaking year!

## PDS DAY OF GIVING • MAY 7, 2021

Thank you to each of our 2021 PDS Day of Giving donors and an extra special thank you to our volunteers!

## PRINCETON DAY SCHOOL ENDOWED FUNDS

The Princeton Day School students and faculty benefit from the significant investment that donors have made to our School's endowment funds over our five decades. We are grateful to those donors who have given a gift to the School that will continue to provide for our community for the lifetime of the School.

Endowments contribute to every aspect of life at Princeton Day School. There are endowments that support financial aid, academic programs, student experiences, athletics, faculty professional development, speaker series, student prizes and general endowment. For additional information, please contact the Princeton Day School Advancement Office. The endowed funds are listed below.

The REx program is a two-year program consisting of required courses and placement of students in outside laboratories in the junior year; refinement of research experiences and preparation of a finished scientific poster during the senior year. REx attracts many of Princeton Day School's most accomplished and eager science students. It is the intent of the donor to support both the students and faculty engaged in this innovative program. Each year the Science department chair and the faculty member leading the REx program will together allocate the annual income from the Fund as they see fit to enhance the experience for students and faculty alike. It is the donors' intent that students and faculty will use this fund for science research and Princeton Day School will allocate these funds appropriately should the REx program no longer exist.
