## Define: School - Parent Compact

A School-Parent Compact is a written agreement between the teacher, student and parent. Each has their own set of responsibilities to ensure student success. This compact serves as a reminder for the school and parent to ensure two-way meaningful communication between family members and school staff in the families native language.

## School - Parent Compact Jointly Developed

A committee revises the compact yearly as needed. This compact was developed jointly and mutually agreed upon with parents, community members, Silva administration, teachers, staff and the PFE Specialist. on August 2021. The policy will be made available at our monthly meetings, the parent center website, Silva room 300, upon request and in neighboring businesses. We welcome any feedback, from parents and committee members at any time. The collected feedback will then be reviewed at the following annual revision committee meeting.
