

# What is the School-Family Compact?

A School-Parent Compact is an agreement between the teacher, student and parent. Each has their own set of responsibilities to ensure student success. The compact highlights our ultimate goals as a campus and the importance of connecting learning at school as well as in the home.

## Let 's Synergize!

A Compact Committee is in place and will be revising the compact every year as needed. The Compact Committee consists of teachers, parents, administration and community aide.

The Compact Committee welcomes any feedback and/or suggestions from parents any time. The collected feedback will then be reviewed at the following annual committee meeting.
