

WELCOME  
TO HAMMOND  
WESTSIDE MONTESSORI!

# *Meet the Principal!*

We are so excited to have your child as a part of our school family for the 2021-22 School Year!

My name is Hugh V. Wallace III, Principal of Hammond Westside Montessori (Primary Focus). Like Mr. Oller, I'm also honored to have the privilege of working with so many wonderful students, families, and staff.

# What exactly is Montessori?

*"Free the child's potential, and you will transform him into the world." - Maria Montessori*

*The Montessori Method of Education, developed by Italian physician Maria Montessori, is a child-centered educational approach based on the scientific observations of children and how they learn best.*

*In Montessori classrooms, class activities are hands on. Materials are elegantly prepared and made for exploration and discovery. We strive to provide a safe environment, where the atmosphere is one of respect for one's self, others, and the environment.*
