

Highline Native Education Program Student Success Questionnaire

Your responses to these questions are entirely voluntary but will help us in a big way in making good programmatic decisions which will make significant impacts in the educational experiences of Native students and their families in Highline Public Schools. You may provide your name/contact info and your student(s)' school/grade info below or you may choose to submit the survey anonymously.

*note that when we use the term "Native" we're referring to students who self-identify as American Indian/Alaska Native and have tribal affiliations with federally and state recognized tribal nations in the United States
