Dear Community Neighbor:

We hope this letter finds you and your loved ones staying healthy and in good spirits.

San Francisco Waldorf School, a 501(c)3 non-profit institution serving children from nursery age to grade 12, will be hosting its 43rd annual Winter Fair this year. Our community is very excited and grateful to have the fair in-person again this year. We are reaching out with the hope that you can contribute to this special time.

At Winter Fair, over 500 families with young children who live throughout the Bay Area are invited to a day filled with magic and wonder. There is no admission fee, and families enjoy a variety of winter craft activities, old fashioned games, puppet shows, and other performances inspired by the holidays of the season. Our entire campus is transformed by parent and student volunteers.

One of our children's favorite activities is our Delicious Delights Raffle. Winning students are in awe at the array of treats before them and, with much anticipation, get to choose the one they will take home!

Can you donate a treat to our raffle? It can be a sweet or savory item. The raffle would provide a marketing opportunity that will reach our extended community of families, alumni, and friends of the school. It will also bring comfort and happiness that only baked goods can do on a winter's day.

If you have any questions about Winter Fair or San Francisco Waldorf School, please contact me at 415-875-7212.

With great appreciation,

Brianna Gerard  
Advancement Associate
