

# STUDENT OF THE MONTH

## OCTOBER 2020

**Claudia Amarilla  
Rivera**

Come rain or shine Claudia always greets form time with a smile, and 'Sir, can we play a Kahoot!?'

She is a creative powerhouse, always drawing in her sketchbook and or digitally on her iPad. She was an avid participant in last month's Inktober, generating some awesome illustrations and It was a joy to log in each day and see what she had created!

She is a well-mannered and polite student, who is always keen to get stuck in with house activities and assemblies. Claudia is a lovely individual who gives her all each and every time, this is a well-deserved accolade to add to her roster and a great start to her first term back!

**Mr L Worth (Tutor)**

I am nominating Claudia for Student of the Month for her incredible work ethic in school. Her involvement and creativity in extra-curricular school projects, like the International Week of Languages T-shirt competition, Ink October etc. show how enthusiastic and caring Claudia is.

She is always willing to help others in the community. Her kindness and generosity goes beyond simply just the academic life. Values that will stand her in good stead for life and ones which PPG cherish.

**Mrs E Debenham**

Claudia is such a cheerful member of the House. She participates in all the activities and is great at checking Teams and responding to any type of request. She is artistic and creative and I love seeing her drawings - her Inktober contributions were fantastic!

In House meetings, she is keen and helpful, and a bright and interesting person. I am very proud that she has been given SOTM and she deserves this recognition. Mrs Easter (Head of House)
