

STUDENT OF THE MONTH

SEPTEMBER 2020

JJ Linares

"Books! And Cleverness! There are more important things - friendship and bravery"

JJ deserves to be Student of the Month. He has provided unwavering support for a student going through such a difficult time.

JJ is always ready to help others. He's always positive, respectful, resilient, and ready for any challenge. What more can I say? He's a star!

Mrs Machin (English Teacher)

JJ is always positive. He is an extremely kind student and is not afraid of offering assistance and advice to his peers when it is needed. He strives to do well at school and is also unselfish and thoughtful at all times. He is constantly smiling which makes everyone around him happy too. He is a pleasure to teach.

Mrs Curran (Drama Teacher)

JJ, you contribute so much to our form and the wider school community. Your peers would describe you as a true friend, someone who will put others needs before their own and show genuine empathy and compassion. This is highlighted recently in your amazing efforts to raise thousands of pounds for Teenage Cancer Trust.

In addition I have daily emails from your teachers sharing academic praise for you, they write about how you are a productive, engaged learner and willing to contribute in lessons. Well done JJ!

Mrs Oxley (Tutor)

JJ has made an incredibly impressive start to his GCSE English Language and Literature course.

He is completely involved in all our discussions and shows a real love of learning.

He is also very mature and thoughtful, offering both students and staff his support when necessary. It is lovely to teach such a caring and talented individual with such a sunny disposition.

Mrs Mason (Head of 6th Form)
