# **PRIZE LIST 2021**

## **Description of Prizes**

### **Special Merit Prize**

This is the highest award for academic achievement in Form Four and Form Five. It is awarded to the pupils who have attained the highest standard across all the subjects they take. Please note, this year, no prizes have been allocated to Form Four, due to the educational disruption of Covid-19, to internal and public examinations.

### **Subject Prizes**

These prizes are awarded to pupils, after the award of Special Merit, who have gained the highest marks in each subject. The number of prizes awarded is related to the number of pupils doing the relevant subject.

### **Form Prizes**

These prizes are normally awarded to the pupils who have not won a subject prize but who have made significant progress in their attainment over the school year. These prizes have not been awarded this year, due to the educational disruption of Covid-19.
