

# STUDENT OF THE MONTH

## September 2021

**David Verdes  
Pachkoria**

David has made a wonderful start to life at Prior Park. He has settled in quickly, made lots of friends and engaged with all aspects of school life. In tutor, he has shown excellent general knowledge in our weekly quiz, shown empathy towards others and demonstrates an awareness of current global issues, during recycling assemblies and tutor discussions. He is a talented musician and has become a focal part of the lunch hall with his piano playing and is a passionate sportsman. He has shown excellent commitment to the co-curricular program and has established himself quickly as an integral part of the school community. David is always smiling, works hard, helps others, and shows a caring nature to his peers.

**Mr R Woodward  
(Tutor)**

For only the second time in the past five years, I awarded David a subject commendation for his excellent thirst for knowledge and understanding and his academic resilience...missing from our Physics lesson due to a medical appointment, David completed the experiment he had missed that day at home and then wrote up an account before returning to our next lesson. He has also demonstrated kindness and care to other individuals both in and beyond lessons this term. He has made an excellent start to his time at Prior Park.

**Mr P Watts  
(Headmaster)**

Taking part in Clean Up The World, being enthusiastic about all opportunities presented to him. Building great relationships with staff. Always offering a friendly greeting to everyone he meets.

**Mrs D Perry  
(Assistant Head, Welfare)**

David is a fantastically hard-working student who is always keen to get involved in classroom discussions and House Assemblies. He is a positive force around school with his positivity, politeness, and caring attitude towards his peers. A well-deserved recipient of the Student of the Month Award during his first month at the school!

**Mr J Fletcher  
(Head of House)**
