Headteacher: Ms Helen Bridge BA MA

Dear Parent/Carer,

Invitation to a village drop-in session regarding plans for a new school building, sports hall and associated facilities at Kineton High School

I am writing to you on behalf of the Department for Education to update you on the redevelopment plans for Kineton High School and to invite you to attend a drop-in session next Wednesday 3rd November.

Kineton High School was selected as one of the first 50 schools nationwide to receive funding under the Government's School Rebuilding Programme (SRP). The funds will enable the selected schools to undertake major rebuilding and refurbishment work. For further information about the SRP please visit www.gov.uk/government/publications/school-rebuilding-programme/school-rebuilding-programme. Kineton High School now has the opportunity to significantly improve existing facilities and realise its aspirations to deliver a rich and forward-thinking learning environment.

Wates, on behalf of the Department for Education, will be submitting a planning application to Stratford-on-Avon District Council before the end of the year. This application will include a new purpose-built school building, publicly-accessible sports hall and associated facilities.

We would like to invite you to view the latest plans and give us your feedback so that we can take it into consideration before the final application is submitted. We are holding a drop-in event on **Wednesday 3rd November 2021** at the school **between 15:00 – 19:00**. Members of the project team will be on hand to talk you through the plans and answer your questions you.

If you would like to speak with a member of the team, please feel free to contact us via email at info@kinetonconsultation.co.uk or by phone on **0808 168 8296**. We will update the school's website www.kinetonhighschool.org.uk with further details regarding the plans from Wednesday onwards.

Thank you for your time and we look forward to meeting you soon.

Yours faithfully,

Steve McMeekin
DfE Framework Bid Manager, Wates Education
