

Making an Exceptional Education Possible for your Student

**SAINT
JOSEPH
PREP
BOSTON**

Sponsored by The Sisters of St. Joseph of Boston

Here at Saint Joseph Prep Boston, we are committed to providing affordable access to an exceptional high school education that enriches the lives of students. We work to ensure that all qualified students—no matter their socioeconomic backgrounds— can attend and succeed at SJP. We are dedicated to providing need-based financial aid and helping students obtain a variety of assistance to meet their full, demonstrated financial need.

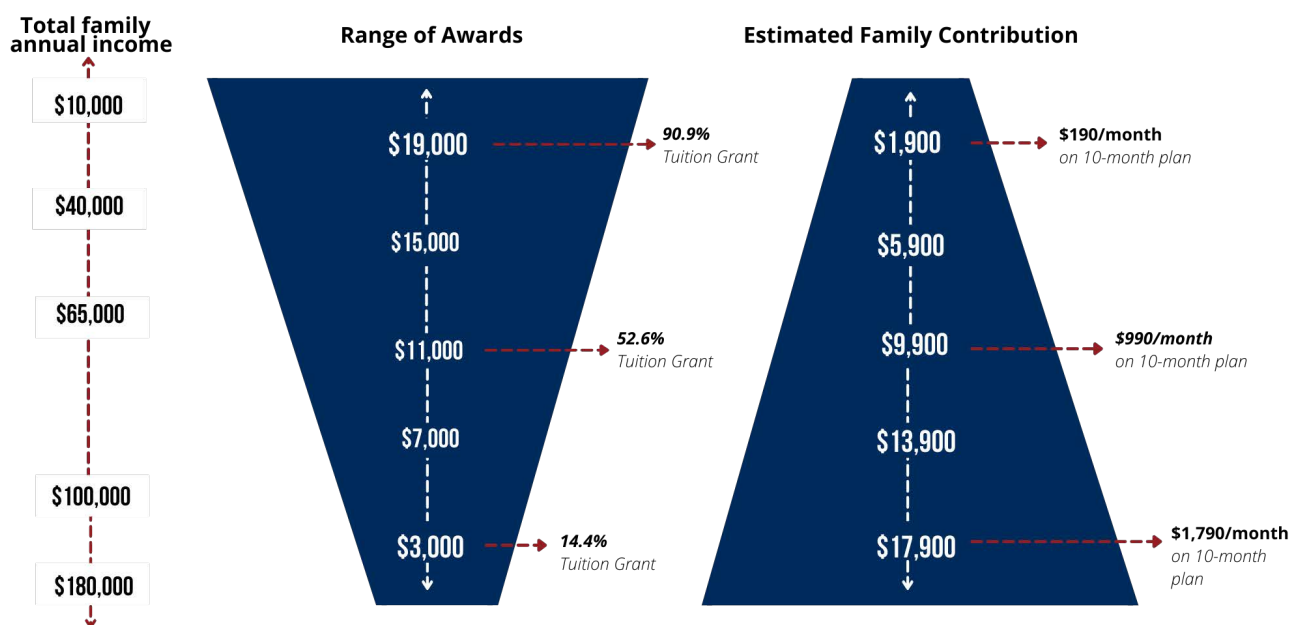

Financial Assistance at Saint Joseph Prep

SJP is committed to meeting your demonstrated need through different forms of financial aid funds, thanks to support of our generous donors. All families contribute toward tuition and financial assistance awards are based on demonstrated need. 2021-2022 Financial Assistance snapshot:

SJP Affordability Estimator

See below for an estimate of need-based Financial Aid based on your family's income level. In addition to need-based financial aid, additional forms of financial assistance are available, including merit scholarships, and sibling grants. See reverse side for details.

Sign up for a Customized Affordability Session

Meet one-on-one with our financial assistance expert who will help you see how an exceptional education can be accessible for your family.
