**SUPPORT CAMPAIGN**

**FOREVER McGUINNESS!** As we begin our 72nd school year, these words give us pause to remember the past, embrace the present, and dream about the future. The 2020-21 school year presented many challenges. Plexiglass barriers, hand sanitizer, masks, social distancing reminders, and a list of protocols helped to protect all against the spread of Covid-19 and to navigate a troubled year. Despite these obstacles, we managed to have in-person classes as well as a full slate of traditional school activities. Through the struggles we endured, we became stronger and even more appreciative of events that are too often taken for granted. We are **FOREVER McGUINNESS.**

This August, we welcomed 723 students to our campus making this the largest student population in our school's history. Our diverse school community is comprised of 166 sophomores, 170 juniors, 171 seniors, along with the second largest freshman enrollment of 216 students. Coming from over 30 different middle schools across the greater Oklahoma City Metropolitan area, 27% of our students are recipients of our need-based scholarships. Without this financial assistance, many of these students would not be able to attend our school. Their absence would redefine our school culture and stand contrary to the words Bishop Eugene McGuinness spoke on the day of his ordination, "All things for all people."

The Forever McGuinness Scholarship campaign serves to support those families with verified financial need. Because of your previous loyal and generous contributions, we were able to award over \$900,000 this school year in financial aid to 190 students. Without this help, these students would not be able to take advantage of the many opportunities that a Bishop McGuinness Catholic High School education provides. It is my sincere hope that you will once again support us as we continue to strive Toward the Top.

**FOREVER McGUINNESS!**

David Morton  
Principal/President

One big way I show this is by doing community service through various activities and projects in the McGuinness community. My purpose is not only to be academically involved in McGuinness, but to also be spiritually and emotionally connected to show the pride of McGuinness. As a junior here at Bishop McGuinness Catholic High School, I love being involved in the community. I have chosen to be a part of many clubs and take on leadership positions including Vice President of CAMINO club and Vice President of the Student Ambassadors.

Service is a big part of my life, striving to help others in need through various projects and opportunities. My purpose of being involved in the Irish community is not to 'show off and be popular,' but to show how much I care about the Irish community, and to lead by example to be a person for others. Without being awarded the David Harlow Rice Scholarship, I would not have the opportunities to participate in the academic challenges and take on the leadership roles that helped to shape me. I am happy to call Bishop McGuinness my 'second home' and hope to see even better things in the future for the McGuinness community for years to come."
