## COVID-19 STATEMENT

Deerfield-Windsor School transitioned to virtual learning on 3/16/2020 following our school closure due to COVID-19 mandates. Upper School classes met using a combination of asynchronous and synchronous teaching and followed the normal daily schedule. Grading policies remained unchanged; however, all students were exempted from semester exams.

For the 2020-2021 and 2021-2022 academic years, Deerfield-Windsor opened with in-person instruction five days a week, with a distance learning option. In the distance learning option, students attended in-person classes via web platform and were expected to be an active participant. Distance learners were required to complete all assessments on campus.

## GRADING & RANKINGS

Due to the selective admissions processes and highly competitive programs, DWS does not rank its students academically. Given the size and makeup of the student body, slight variations in GPA can make significant differences in class rank. GPA does not include athletic conditioning or any non-academic arts. A minimum of 22 curricular hours and 55 hours of community service are required for graduation.
