This year's Washington D.C trip for Grade 8 students is scheduled to take place (per SC approval) from Wednesday, June 1, 2022 to Saturday, June 4, 2022. Students will visit a variety of memorials, museums, and historical sites including World War II, JFK, and FDR Memorials, the Smithsonian, the Holocaust Museum, the Capitol Building and Arlington National Ceremony.

On November 3 at 6 PM, there will be a virtual informational meeting for families and students to review the trip itinerary, behavioral expectations, and a cost analysis for the trip.
