Dr. Pitts discussed the original DOI from 2017-2022 and the four areas we addressed in it. He then shared the proposed DOI for 2022-2027 and discussed the new piece in section V about planning and preparation time. It would allow the flexibility to meet with teachers during the school day and not require after hour planning for teachers. Melanie Mims motioned to accept the DOI and Kim Galvan seconded the motion. The motion passed unanimously.
