

Westport Music Boosters

(The following is the “welcome back newsletter” we send out each Sept. Obviously, this year will be presenting its challenges as we navigate a very different school year. Our music teachers and students need your support more than ever. Please help us by filling out the attached form so we may continue to communicate with you and provide updates on the status of our music/drama programs. Please note: Any meetings will be held virtually at this time.)

Our organization promotes music in our three community schools. We help to fund music/drama productions and concerts, provide funds for our students to attend choral/band competitions, and help provide the extras the music teachers need for their classrooms. We also award scholarships each year to eligible seniors. We meet once a month and all are welcome to attend.

How can you help?

- Help to increase our funds with a donation. We encourage each family to donate \$15. Make checks payable to ***Westport Music Boosters***.
- Come to our monthly meetings (first Monday of the month) and share your thoughts and ideas.
- Volunteer at performances. (Please check off all that apply and return bottom portion to school.

(Please print clearly)

Parent/Guardian Name: _____

Address: _____

Phone# _____

Email address: _____

Student Name: _____

School: _____ Grade: _____

My child is involved/interested in: Band __ Chorus __ Music Theater __
