

Dear Parents and Carers 11.10.21

This week the children will explore the story of 'The Little Red Hen'. We will be constructing our own story maps and visiting the chickens and ducks. We will taste bread and make salt dough bread for a role play bakers.

In maths we will continue to explore early number and become more familiar with subitising. The children will begin to explore sub-groups that can be seen within a larger set. E.g. they will see that Numberblock Four can be arranged with 2 blocks on top of another 2 blocks or as a line of 3 with 1 on top, and connect both to 4.

We will change reading books every Friday ready for the weekend. Please leave these in your child's bookbag throughout the week as we will read with them at different points over the course of each week.

You will have received an email about Free School Meal Eligibility and extra funding for your child. Please ensure you provide your child's full name and date of birth, your full name, date of birth and national insurance number to the school office.

Words of the Week

grind

knead

corn

Sounds Write phonics programme
This week's new sounds are

n, o, p

Empowerment Approach

We will continue our work on the brain and start to understand that eating well and regularly helps us to be and feel our best.
