REMINDERS FROM THE PRINCIPAL

BAAC Meeting

Join us for BAAC (Building Advisory and Accountability Committee) November 18th at 5:00pm. We will describe some of the assessments we use, and supports we provide for students, as well as share current data on attendance, discipline, and academic growth/achievement.

Red Flag Days

Cooler weather is coming! The Red Flag will be on the flagpole if the temperature is below 25 degrees and we will have inside recess. Throughout the day, if the temperature is between 15 and 25 degrees, we will make a determination at the office if we will have outside recess. In cold temperatures, students must have a proper coat to be allowed outside for recess.

Face Masks

Currently, face masks are required inside all WSD# 3 buildings and on school buses. WSD#3 will continue to monitor COVID-19 guidance and restrictions and re-evaluate our procedures/requirements based on current health recommendations and mandates.

Food Drive

Our annual food drive is here and will run November 1st-9th! Please help us collect food for those in need within our own community. The Security Fire Department is collecting non-perishable, non-expired canned/boxed food. The items most needed are:

Canned vegetables
Gravy
Stuffing
Canned Fruits
Pie Filling
Yams
Cranberry sauce
Boxed potatoes

Thank you for your continued support!
