STATE TESTING AT RHS

SBA TESTING

This week: SBA testing November 3 & 4

For 9th, 11th and some 12th grade students.

Important information for students:

- Restart your school laptop on the school network on Monday and Tuesday.
- Bring Laptop (fully charged) and charger; earphones that will work with your school computer if you have some, pencil, and something to read if you finish early.
- Testing will occur in math and English classes. If you do not have a math or English class, check posted rosters (cafeteria windows) on Wednesday morning for where to go.

Our current 9th graders will be taking the 8th grade ELA, 8th grade math, and 8th grade science tests.

Our current 11th graders will be taking the 10th grade ELA and 10th grade math tests.

Our current 12th graders will be taking the 11th grade science test.

Information about State testing: Each spring, all Washington public school students in grades 3-8 and 10 are assessed in English Language Arts (ELA) and math using Smarter Balanced Assessments (SBA). Students in grades 5, 8 and 11 are also assessed in science using the Washington Comprehensive Assessment of Science (WCAS). Results from these assessments provide meaningful feedback and data that teachers and other educators can use to help students succeed. The results provide data to help evaluate school-level and district-wide instructional strategies, initiatives, and other programs.

Last spring, these tests were postponed until the fall by the Washington Office of Superintendent of Public Instruction (OSPI). This was due to the number of students attending school remotely. The fall tests will be based on the content from the previous grade level and have also been shortened in length. [Learn more](#) about the state assessments on the district website. Next Spring we will be back to the regular schedule of state testing.

- Healthy & Nutritious Meals
- Fee Waivers for ASB Cards
- Fee Waivers for Athletic Participation & Extracurricular Activities
- Health and Wellness Services
- Fee Waivers for College Applications & Admissions tests
- College Scholarships

School Counselors can help connect you with benefits that you may be eligible for if you qualify for free and reduced meals. Applications may be completed online at www.myschoolapps.com or downloaded from our website (English or Español). For more information, please visit our [website](#).
